

## I-E Electric Control Kits

### I-E2022

2 Section (left/right) electric control with proportional bypass shut-off valves, electric pressure adjustment and in cab switch box.

Contains:     **A4662632**                             ARAG 3 Section Control Box  
                  **A4662530.220**                 3 Section 3m Wire Loom  
                  **A463CCRO07**                     Valve 2 Section with Regulator and Filter  
  See ARAG Control Manifolds **A463 Series**

### I-E2032

3 Section (left/right) electric control with proportional bypass shut-off valves, dump valve, filter, electric pressure adjustment and in cab switch box.

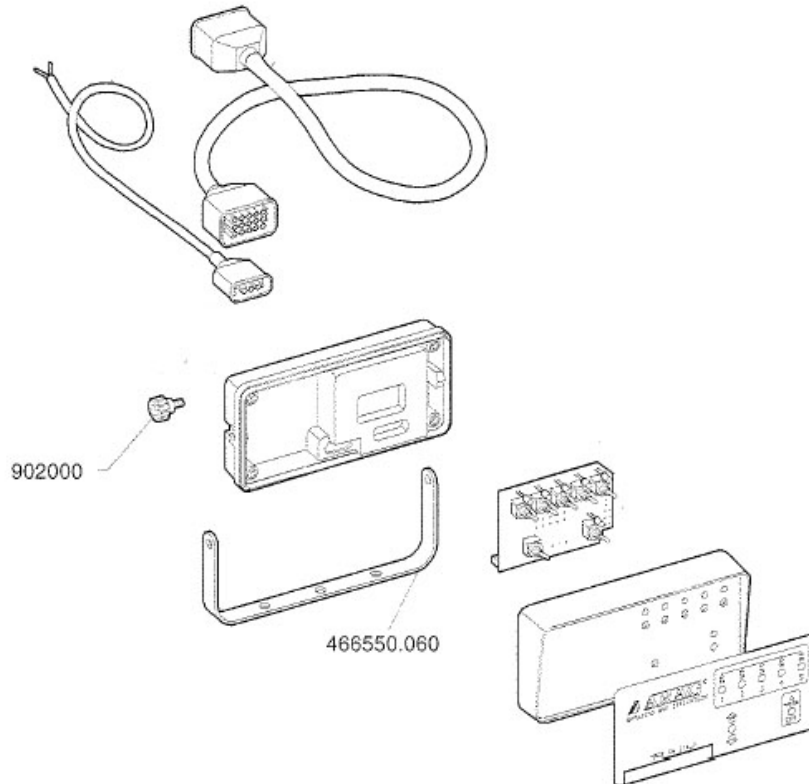

Contains:     **A4662632**                             ARAG 3 Section Control Box  
                  **A4662530.220**                 3 Section 3m Wire Loom  
                  **A471CCRO02**                     Electric Valve 3 Section with Filter  
  See ARAG Control Manifolds **A471 Series**

### I-E2052

5 Section (left/right) electric control with proportional bypass shut-off valves, dump valve, filter, electric pressure adjustment and in cab switch box.

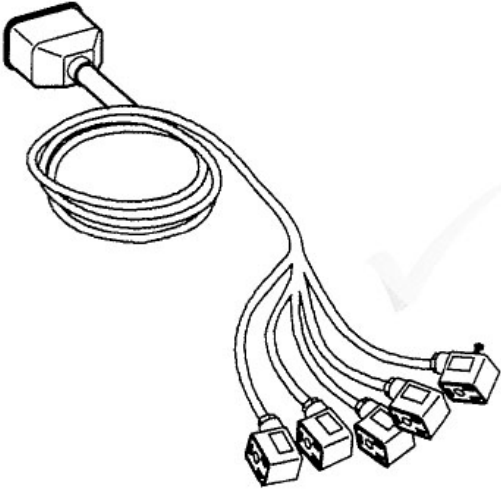

Contains:     **A4662652**                             ARAG 5 Section Control Box  
                  **A4662550.220**                 5 Section 3m Wire Loom  
                  **A471CCRO03**                     Electric Valve 5 Section with Filter  
  See ARAG Control Manifolds **A471 Series**

## A46625 and A46626 series Controller Breakdown

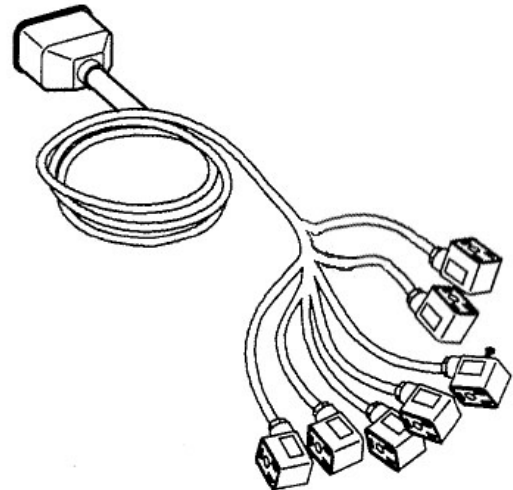

## Wiring Looms

**A4662530.220**      3 Section  
12 Pin Male Connector  
5 Dim Socket Connectors

**A4662550.220**      5 Section  
15 Pin Male Connector  
7 Dim Socket Connectors

Replacement Dim Sockets Connectors are available with the following part numbers.

**AECS0015**      Dim Socket Connector 43650 (no wiring)

**A4652900.140**      Dim Socket Connector complete with 1.3 meters of wiring

Extension Cables are also available for extending the distance between the Control Box and the Wiring Loom.

**A466530.230**      3 Section 5meter cable M-F 12 pin

**A466550.230**      5 Section 5meter cable M-F 15 pin
